HIGHLIGHTS

KEYLOCK BOLT CARRIER GROUP

Ultimate Durability. Keylocked, staked, and bolted in. This carrier provides superior gas key stability.

MATCH GRADE TRIGGER

3.5lb straight POF Drop-in trigger with KNS anti-walk pins.

ANTI-TILT EXTENSION TUBE

Eliminate stock rotation and prevent carrier tilt by supporting the back of the carrier, as well as reducing wear and tear on the bolt carrier and the buffer tube.

A MOMENTS NOTICE

Minutemen were civilian colonists tasked with being a defensive force to be prepared at a moments notice. They took it upon themselves to be trained in various weapons and tactics. We deeply admire their patriotism and self-reliance. The “Minuteman” is our twist on what a direct impingement sporting carbine should be, topped with the controls and enhancements most important to remain mobile and light.
