ABOUT PRESCOTT

Built on the Rogue platform, the Prescott makes hunting with a semi-auto reality. Don't go mobile with an overweight rifle. At 7 pounds, the 6.5 Creedmoor Prescott is built to hunt, and go everywhere you do.

STANDARD FEATURES

20" Match Grade 4150 Steel Barrel

Rifle length Gas System

Black Anodize, Patriot Brown, or OD Green Finish

AMBI Selector & Charging Handle

(1) 20rd Magazine

DESCRIPTION	PART #
20" 6.5 CM, Blk	01734
20" 6.5 CM, Brn	01737
20" 6.5 CM, OD	02106

HIGHLIGHTS

LIGHTWEIGHT HEAVY HITTER

Built on the ROGUE Platform, the Prescott is lightweight where it counts without skimping on durability.

RENEGADE + HEAT SINK BARREL NUT

Our new Renegade handguard with multiple QD points and patented oversized heat sink barrel nut for more effective heat dissipation.

ANTI-TILT BUFFER TUBE

Eliminate stock rotation and prevent carrier tilt by supporting the back of the carrier, as well as reducing wear and tear on the bolt carrier and the buffer tube.

ITS ABOUT THE WEIGHT AND THE SAVINGS

The PRESCOTT was an exercise to turn the Revolution DI 6.5 Creedmoor platform into the lightest semi auto hunting rifle on the market, and to do it without needless "lightening" cuts. Built on the Rogue platform, the Prescott makes hunting with a semi-auto reality. At 7 pounds, the Prescott is built to hunt, and go everywhere you do. The Prescott is available in both 6.5 Creedmoor.
